San Francisco, CA

when:

Friday Jun 6, 2008

7 PM to Midnight

On June 6, we plan to tell the story of the Burmese cyclone victims' plight with an intimate photo exhibit, as well as a silent auction of gorgeous Burmese photos for the benefit of the disaster survivors.

Nearly 3 weeks after Cyclone Nargis ravaged the Irrawaddy Delta of Burma, an estimated 1.5 million displaced men, women, and children still remain unattended. We hope to bring some of them swift relief with your help.
